

Indmar Products Co., Inc.

JOB DESCRIPTION

Job Title: General Operator

Location: Millington

Reports to: Fabrication Supervisor

Position Summary: The operator is responsible for assembling the components of the riser to be welded by the robotic welder. This position is also responsible for the safe operation of various equipment throughout the shop including the sizer, tube bender and band saw.

DUTIES AND RESPONSIBILITIES

1. Assemble riser components to be welded on the robotic welding machine.
2. Operate the sizing machine as well as the tube bender and band saw when needed.
3. Troubleshoot issues with equipment or machines, making adjustments as needed.
4. Operate all equipment safely, making sure to wear all required PPE.
5. Maintain a clean work area at all times.
6. Other duties as assigned.

KNOWLEDGE AND SKILLS:

1. Basic mechanical knowledge
2. Ability to work independently with little supervision.
3. Must be able to lift 50 lbs.

EDUCATION AND WORK EXPERIENCE

1. High School graduate or GED.
2. Previous assembly or machine operator experience.
